

## IMLA “LITE”

### **WHAT IS IMLA LITE?**

IMLA LITE allows smaller communities that are members of state municipal leagues or municipal attorney associations to become quasi-members of IMLA. This opportunity is now open for municipalities with a population of less than 2,500, who employ or retain as general counsel a member in good standing with the state municipal league or municipal attorney association.

### **WHAT ARE IMLA LITE BENEFITS?**

IMLA LITE membership benefits include:

- IMLA e-newsletters
- The Municipal Lawyer magazine
- The Model Construction Documents
- Discounted BMI music Licensing
- The ability for legal counsel and municipal officials and employees to register for IMLA programs as a member

  - o IMLA programs include:

    - Extensive series of webinars that include a variety of topics:

      - And more...

**Please Note:** IMLA LITE members will not have the right to vote or serve on the IMLA Board.

### **HOW DO I SIGN UP?**

IMLA LITE Membership differs slightly from IMLA's regular Associate Member status in that the IMLA member will be a municipality, not an individual attorney. However, the Member Attorney who serves as general counsel for the municipality will serve as the member's representative as its Chief Legal Officer and will receive the IMLA member benefits as noted. In addition, employees and officials of the member municipality may attend or participate in IMLA events at substantially reduced members-only rates.

Upon acceptance by IMLA, IMLA LITE membership will begin.

### **WHAT IS THE COST?**

The state municipal league or municipal attorney association will pay \$50 for each member up to 60 members. After 60, the membership is capped at \$3000 for all members under 2500 in population.
